Welcome to the 32nd Annual Music in Motion Show Choir Invitational!

On behalf of the Mount Pleasant Community School District, it is my pleasure to welcome you to this year's Music In Motion Show Choir Invitational. For 32 years, this event has showcased the talent, dedication, and artistry of outstanding student performers from across the region. We are honored to continue this tradition of excellence as we gather once again to celebrate music, movement, and the creative spirit that unites our schools.

Events like this do not happen without the support of many. I want to extend my sincere appreciation to our music directors, choreographers, and staff whose passion for the performing arts fuels the success of their students. A heartfelt thank-you goes to our Music Boosters and community volunteers—your countless hours of planning, fundraising, and hands-on help make this invitational possible year after year.

To the students: thank you for your dedication, your discipline, and the joy you bring to the stage. Your performances are at the heart of this event, and we are proud of the hard work and commitment you demonstrate. To the participating schools, thank you for joining us. We are privileged to host you and to witness the remarkable talent you bring to our stage.

Finally, to our sponsors, supporters, and families: your encouragement ensures that the arts continue to thrive in our schools. Your belief in the power of music and performance enriches the lives of our students and strengthens our community.

Thank you for being part of this special tradition. Enjoy the performances, celebrate the accomplishments of these extraordinary students, and have a wonderful day at Music In Motion!

Our 2026 show, Catch the Light, is a journey that unfolds as a search for self amid doubt, expectation, and the ever-present influence of others. At first, the light feels distant—obscured by comparison, uncertainty, and the desire for other's approval—but through reflection and perseverance, clarity begins to emerge. Each step forward reveals that happiness is not granted by recognition or praise, but shaped by mindset, resilience, and the choice to see possibility in every experience. In embracing positivity and confidence grows, the journey arrives at its truth: success is self-defined, happiness is self-made, and in that realization, in Catching the Light the truth is revealed of Who I Am.

Under the direction of Tracy Madsen, and choreographed by LD Kidd and Ben Schrank, C-Force is excited to bring you "Catch the Light."

This group competes and performs all around the Midwest and also takes great pride in hosting "A Touch of Class" every year.

We sincerely hope you enjoy today's performance and would like to wish all the competing show choirs the best of luck in their performances today

Today, Celebration Company reminds all of us that the power of love is a force that can bring you great joy and happiness, but as you'll see today, love can also bring grief and heartache. What can start out beautiful may not always last, but perhaps something better waits just beyond the horizon.

Xavier High School's varsity show choir, **Xhilaration**, is composed of students who are active participants in the music department at Xavier. They are excited to perform their 2026 competition show "Come Alive". Based on the story of the Prodigal Son, our show takes audiences on an emotional and musical voyage, exploring the challenges and triumphs that shape the human experience. Each song represents different phases—uncertainty, hardship, ambition, discovery, and trust in a higher plan. Xhilaration is under the direction of Philip Schroetter. Combo directed by Lily Bryant and choreography by Erica Ireland and Lovar Davis Kidd. Xhilaration would like to wish all the groups competing a safe and fun competition season.
