

# Middle School October Marching Band Events

## Home Football Game, Friday October 17th.

Meet at Maple Leaf Athletic Complex at 6:40pm near the north end zone. Come dressed in full uniform.

6th grade and 7-8 grade bands perform for pre-game and at half time.

**Pre-game.** The 6th grade band will play the school song and the 7-8 color guard will form the tunnel. After that, the 7-8 grade band will play the Star Spangled Banner. Once pre-game is finished we will all go sit together as a band during the game to support the team.

**Half-Time.** Midway through the 2nd quarter, both bands will go and assemble in the north end zone to perform at halftime. 7-8th grade will perform first, followed by our combined 6-7-8 band number, and then 6th grade band will play the fight song and form the MP with the 7-8 color guard. Once half-time is over, students are free to leave.

**Please eat before you arrive at Maple Leaf.**

**We do not wish to have food stains on the uniforms.**

Depending on how the game progresses, we should be finished between 8:30-9:00pm. Please have a ride.

This is a graded event and we are filling in for the high school band at this game. Please remember that you are performing and representing your band, school, and your community from the moment you arrive to the moment you leave.

Please show PRIDE, kindness, and respect to one another.

**NO ONE SHOULD BE RUNNING AROUND THE BACK FIELD AT ANYTIME.**

We are very proud of the progress you've made and the work you're doing! Looking forward to a great performance and thanks for all your hard work!!

Please remember that you are performing and representing your band, your school, the music department, and your community from the moment you arrive to the moment you leave. Please show PRIDE, kindness, and respect to everyone!

*This marching season has moved quickly and we are really proud and happy with all of the work you have put in to help make the bands successful. Your dedication and commitment is incredible and we have made a lot of growth and progress! Thanks for everything you do and for being wonderful students to work with!*
